

Sketchbook assignment # 6

Let's see how creative you can be...

Imagine that you received a birthday card from one of the following artists...

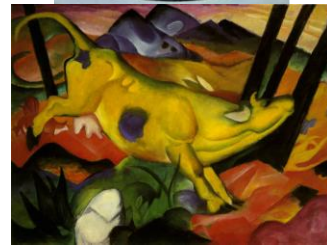

Pablo Picasso

Andy Warhol

Franz Marc

Vincent Van Gogh

Salvador Dali

Requirements —

- Fold your sketchbook paper in half so that it resembles a card — do not take it out of your sketchbook. . . It stays right where it is. If you do not have a sketchbook, please use computer paper.
- The front of the card must have a design in the style of the artist you have chosen. You can not "steal" anything from the artist — that means no copying. I do not want to see a Warhol card like the Mickey one above or one like a melting birthday cake like Dali. Really be creative!!!
- The inside of the card must be filled out correctly:
 - To (insert your name)
 - From (give your chosen artist a signature)
 - A sweet birthday sentiment that matches the artist (i.e. if the card is from Van Gogh you can say, "The stars are dancing for you on your birthday!")
 - Of course the words "Happy Birthday" . . .
- Full color please!!!
